## *EQUIPMENT*

---

### **Headgear**

You'll be playing in industry standard safety masks and goggles specifically designed for paintball. If you wear a skullcap or rock a reverse hat, today's the day.

### **Camouflage**

You can wear camo overalls from us or wear your own gear out on the field.

### **Paintball marker**

You will be playing with a semi automatic paintball gun with a hopper capacity of about 200 paintballs. The marker will fire as fast as you can pull the trigger.

### **Chest protection**

Padded vests provided upon request.

### **Ammo**

For the more experienced paintballer, we provide pods and carriers on request. Each pod carries 100 paintballs.

---

## *WHAT TO WEAR*

---

### **Clothing**

If you plan on wearing some of our overalls, we recommend light shorts and top to wear underneath. Bring your own clothes and go merc, the paint washes out.

### **Footwear**

Sturdy shoes or boots that you don't mind getting dirty. No thongs or open footwear please.

### **Gloves**

If you have some gloves that you use for outdoor activities you might want to use 'em here.

---

## *WHAT TO BRING*

---

If you have your own camo outfit, mask or marker bring them with you. Subject to a safety inspection by the Skirmish SA team you will be allowed run your own kit.

- Comfortable closed shoes like running shoes or hiking boots. No thongs or open footwear please.
- If you have your own camoflauge clothing, you are welcome to use it.

If you have your own paintball marker or mask, you are welcome to use it provided they are checked and approved by one of the Skirmish SA referees.

- Your marker will also need to undergo a velocity check and must set to fire at less than 280 feet per second.
